Section Two

16 Read the following Case Study and answer all the questions that follow.

Tom is 44 years of age and is a recovering alcoholic. He lives in a hostel with 30 men and women who have similar addictions. Tom relies on unemployment benefit as he has not worked for the past five years. Tom separated from his wife and children a year ago because he was violent and aggressive when he had been drinking. Since living in the hostel Tom has received counselling and completed an IT course at the local college. He is much happier now and has made new friends. Tom has also been in contact with his wife and children.

(a) Identify in the correct order the next **two** life stages Tom will progress through. (2)
